# The New Freedom Transportation Program

This service is made possible by a grant for disabled persons from the Federal Transit Administration and provides statewide transportation to disabled Delaware residents of all ages.

- Service is available any time, with a focus on evenings, weekends, and holidays when DART public transportation service is not available.
- Vehicles are fully accessible to passengers in wheelchairs, as well as those who use walkers or canes. Passengers needing assistance must be accompanied by an escort.
- Riders must have an ADA card, proof of disability or referral from an agency serving disabled clients.
- Reservations are accepted Monday-Friday, 9 a.m. to 4:30 p.m. A 3-day advance notice is suggested; however, all requests will be considered on a space-available basis.
- The fare is \$5 for a one-way ride per County. Please have exact change. Drivers do not carry change. Prorated fares for group trips are also offered based on availability.
